What Have We Been Up To?

Creating Kings and Queens in the Community

We have been working tirelessly to create a lasting impact in our local community. We encouraged learning by bringing volunteers to Kujawa Elementary Open House to help with their book fair. We participated in the Aldine Fall Family Conference, where we presented our Becoming Kings and Queens- Leadership Lifeskills Program. See our website for more information about this empowering 12 week program. We also inspired others to take pride in their environment by taking a trip down to Galveston Beach- East Bay Lagoon and clearing the trash and debris from a nature walk, opening soon.

We are excited to get ready for 2022!

We have a full calendar of events and programs to offer to our community!! We have monthly volunteer and fundraising opportunities where you can provide your time and services toward our mission and our causes. We have several mentoring and speaker opportunities, where you can impart information to those who want to learn to enrich their lives.

A Word From Our Director

Believing and Trusting the "Process"

When we started this nonprofit with the idea of leadership training and development, we only knew we were moving in the Vision that was given to us. We were unaware of the direction it would take us. We set out with the single idea to be a role model and example of leadership through service, and we learned to make connections and network with other organizations along the way.

After 12 months of working consistently, we are proud to announce we will be launching out Becoming Kings and Queens- Girls Leadership Program with Lewis Middle School in Jan 2022.

The "process" is real.

Hard work really does pay off.

For anyone who may be reading this and doubting if the work they were given, is WORTH it?

Just know, IT IS.

There are no mistakes.

Someone needs the message that YOU were given
