

# BECOMING KINGS AND QUEENS INC.

## Becoming Kings and Queens Current Events Recap

On February 27th, 2021, we launched our "Mentor and a Meal" Mentorship Program with Tony's Place. It was a HUGE SUCCESS. We meet every other Saturday from 1pm to 3pm, and enjoy conversing with the participants. Tony's Place is in the process of moving to their own facility in April, therefore we will NOT be meeting again, until April 10th, 2021. At that time, we will provide the new address for Tony's Place.

On March 6th, 2021, we hosted our FICO Credit Repair Score Class on Zoom, presented by Melissa Wilson, Real Estate Broker with 17 years experience. We had an SPECTACULAR time, learning how to improve our financial standing and build a solid foundation for our generational legacy. We want to thank everyone who attended our class and we look forward to planning the next session!

## Becoming Kings and Queens Needs Volunteers!!

Becoming Kings and Queens was generously donated 100 gallon jugs, to be filled with purified water and distributed to the those who are in need. We want to thank LAMP for their partnership. Now we are looking for volunteers to donate their time and effort to delivering water for Crowd Source Rescue and William Price Distillery. It is our mission to do what we can to ensure other's do not go without the basic necessity of water.

For Earth Day, we are recruiting volunteers to help us clear lots of trash, debris, and fallen branches in our local communities on Sunday, April 25th at 10am. This will be an incredible opportunity to safely socialize with others, soak up some sun, and help support your local municipality. We need volunteers are how are willing to give of their time, sweat and couple hours of laborious work to help our community become a better place.
