What Have We Been Up To?

Kings and Queens- Active in the Community

On May 15th 2021, Becoming Kings and Queens volunteers donated time and efforts to the City of Houston Clean a Lot Campaign. This event was coordinated by Collaborating Voices organization and was located in North Houston- at Jensen and Sumpter. We were joined by several other groups, as we made a HUGE impact in our community, showing up as leaders, as we cleared and cleaned the entire block.

Kings and Queens are Leaders and Readers!

In May Becoming Kings and Queens, Inc celebrated as “Get Caught Reading” Month! Get Caught Reading is a nationwide public service campaign launched by the Association of American Publishers to remind people of all ages how much fun it is to read. In celebration, we asked our community to post of pictures of them reading with their children, and we are excited to announce that **Meiko Reynolds** was the grand prize winner of a \$25 Barnes & Noble Gift Card! We are excited to help build Kings and Queens, through reading and education!

Kings discuss their Health

In June, we will be collaborating with the C.A.L.I. Organization to host an educational FREE event for men of all ages- “Virtual Locker Room Talk”. We will have a panel of coaches as well as a medical expert to discuss your questions surrounding men’s health. We are excited to provide valuable information and break the stigma on some unspoken issues. **Save the date- Saturday, June 26th @ 10am-1130am-** Register on www.BecomingKingsandQueens.org to save your spot and receive your Zoom link !

Kings and Queens Spreading Joy

In June, we will also be partaking in “National Give a Bunch of Balloons Month” to bring joy to a child battling an illness or struggling with a life-altering diagnosis. When limitations, treatments or hospital stays prevent children from the joys of childhood, their smiles fade. Lets lead the way in keeping their smiles bright! If you would like to nominate a child to receive a “bunch of balloons” please reach out and let us know!
