**Creating Kings and Queens in the Classroom**

We are sooo excited for successfully completing our first school supply drive with Kujawa Elementary School. Over the course of the last two months, we worked tirelessly with the local community and held a Go- Kart Fundraiser, a community block party, and distributed over \$1800 in backpacks and school supplies for 200 students. This was our **BIGGEST** commitment by far, and we are **PROUD** of our results!

We have a **SPECIAL THANK YOU** for all of our partners, sponsors, donors and those who contributed to our successful mission. We are forever grateful for the special interest shown by Zalla Massage, Austin Business Coaching, Ebony Royal Realty, Ecung Investments, Target volunteers, Amazon BEN Group and everyone who contributed to our wonderful cause!

**Becoming Kings and Queens-  
 Leadership Lifeskills Program**

I never imagined Becoming Kings and Queens growing this expeditiously nor accomplishing the goals we have set for ourselves. We are most thankful to God above for driving our mission. but second we are grateful for you all, for without you, this would not be possible in the least. We are beyond blessed by the opportunities presented, and I am grateful for the vision I was entrusted to manifest and carry to fruition. While we will continue our monthly volunteer event, we are thrilled to announce we have launched our BKQ- Leadership Lifeskills Program! This will provide mentoring, tutoring and educational workshops to parents and children in low- income housing as well as participating schools. If you are interested in joining our program, as a participant or facilitator, please email us for more information.
